

"Empowering the Front-liners - Professional Development for Early Childhood Educators".

AECED organised 6 high quality, focused, practice oriented webinars. It was an opportunity to equip front-liners better in supporting children and their families. All webinars were relevant and useful in the current times and were extremely well received.

SELF-CARE OF TEACHERS - PREVENTING BURNOUT

Saturday 20th June 2020.

Teaching requires a great deal of investment of the self of the teacher in interactions with students, parents, colleagues and administrators often leading to burnout.

- ❖ Are teachers and schools aware of the need for self-care?
- ❖ How do we ensure the mental health of educators?
- ❖ This webinar examined the need for self-care among teachers and suggest some strategies for promoting the same.

Ms. Archana Jain

Head, Department of Human Development, SVT College of Home Science (Autonomous).

LEARNING TO TEACH ONLINE

Effective Technology Aids

Saturday 27th June 2020.

The webinar focused on putting the technology into Teaching. It also threw light on the fact that you did not need expensive equipment to create online courses or programs.

But it is important for the facilitators and teachers to learn HOW ? WHY ? WHERE ? AND WHEN ? AND to WHOM they are presenting . Identification of the platform (LMS or Streaming) and then how to select technology to create material was also discussed at length.
