Sumitra leads Mobile Creche to ensure young children are a national priority in law, policies, research, practices, capacities and communities. She has worked closely with children and young adults with disabilities, trafficked children, and some of the most disenfranchised women and children through programme design, policy matters and research. She has wide experience in organizational strategy and development, policy advocacy and campaign building, evidence-based programmes impact, fundraising and communications.

Sumitra holds a Post graduate in Special Education (Visual Impairment) from Kurukshetra University, India and has done her Educational Leadership Programme in Multiple Disabilities, Visual Impairment and Deaf blindness from Perkins School for the Blind, Boston, MA.

Evelyn has more than 20 years of experience in development work encompassing child rights, investment programming, strategic planning, project planning and design, program management, grants development and partnership building. She is passionate about children's issues and strongly believes that access to quality ECD is a right of every child and that duty bearers should join hands in ensuring that this right is fulfilled. Evelyn steers ARNEC to build strong partnerships across sectors, disciplines, organizations, agencies and institutions in the Asia-Pacific region to advance the priority on and investment in early childhood.

Prior to ARNEC, Evelyn spent 10 years working for Child Fund International in various management positions at Country Offices in the Philippines, Timor Leste, and Asia Regional Office in Bangkok. She also worked previously with the Central Economic Planning Ministry of the Philippine Government. She holds a Master of Arts in Economics of Development, Institute of Social Studies, The Hague, Netherlands and a B.A. in Economics, Political Science from University of Philippines.
